"Section 8. If death should result from the injury, the association hereinafter created shall pay the legal beneficiaries of the deceased employee a weekly payment equal to sixty per cent (60%) of his average weekly wages, but not more than Fifty-six Dollars (\$56) nor less than Fourteen Dollars (\$14) per week, for a period of three hundred and sixty (360) weeks from the date of injury."

"Section 11. While the incapacity for work resulting from the injury is partial, the association shall pay the injured employee a weekly compensation equal to sixty per cent (60%) of the difference between his average weekly wages before the injury and his average weekly wage earning capacity during the existence of such partial incapacity, but in no case more than Fifty-six Dollars (\$56) per week. The period covered by such compensation shall be in no case greater than three hundred (300) weeks; provided that in no case shall the period of compensation for total and partial incapacity exceed four hundred and one (401) weeks from the date of injury. Compensation for all partial incapacity resulting from a general injury shall be computed in the manner provided in this Section, and shall not be computed on a basis of a percentage of disability."

Section 4. Section 12 of Article 8306, Revised Civil Statutes of Texas, 1925, as amended, is amended to read as follows:

"Section 12. For the injuries enumerated in the following schedule the employee shall receive in lieu of all other compensation except medical aid, hospital services and medicines as

elsewhere herein provided, a weekly compensation equal to sixty per cent (60%) of the average weekly wages of such employee, but not less than Fourteen Dollars (\$14) per week nor exceeding Fifty-six Dollars (\$56) per week, for the respective periods stated herein, to wit:

"For the loss of a thumb, sixty per cent (60%) of the average weekly wages during sixty (60) weeks.

"For the loss of a first finger, commonly called the index finger, sixty per cent (60%) of the average weekly wages during forty-five (45) weeks.

"For the loss of a third finger, sixty per cent (60%) of the average weekly wages during twenty-one (21) weeks.

"For the loss of a fourth finger, commonly known as the little finger, sixty per cent (60%) of the average weekly wages during fifteen (15) weeks.

"The loss of the second or distal phalange of the thumb shall be considered to be equal to the loss of one-half ($\frac{1}{2}$) of such thumb; the loss of more than one-half ($\frac{1}{2}$) of such thumb shall be considered to be equal to the loss of the whole thumb.

"The loss of the third or distal phalange of any finger shall be considered to be equal to the loss of one-third ($\frac{1}{3}$) of such finger.

"The loss of more than the middle and distal phalange of any finger shall be considered to be equal to the loss of the whole finger, provided that in no case shall the amount received for the loss of a thumb and more than one (1) finger on the same hand exceed the amount provided in this schedule for the loss of a hand.

"For the loss of the metacarpal bone (bone or palm) for the corresponding thumb, finger or fingers above, add ten (10) weeks to the number of weeks as above subject to the limitation that in no case shall the amount received for the loss or injury to any one (1) hand be more than for the loss of the hand.

"For ankylosis (total stiffness of) or contracture (due to scars or injuries) which make the fingers useless, the same number of weeks shall apply to such finger or fingers or parts

of fingers (not thumb) as given above.

"For the loss of a hand, sixty per cent (60%) of the average weekly wage during one hundred and fifty (150) weeks.

"For the loss of an arm at or above the elbow, sixty per cent (60%) of the average weekly wage during two hundred (200) weeks.

"For the loss of one (1) of the toes other than the great toe, sixty per cent (60%) of the average weekly wages during ten (10) weeks.

"For the loss of the great toe, sixty per cent (60%) of the average weekly wages during thirty (30) weeks.

"The loss of more than two-thirds of any toe shall be considered to be equal to the loss of the whole toe.

"The loss of less than two-thirds of any toe shall be considered to be equal to the loss of one-half ($\frac{1}{2}$) of the toe.

"For the loss of a foot, sixty per cent (60%) of the average weekly wages during one hundred and twenty-five (125) weeks.

"For the loss of a leg, at or above the knee, sixty per cent (60%) of the average weekly wages during two hundred (200) weeks.

"For the total and permanent loss of the sight of one (1) eye, sixty per cent (60%) of the average weekly wages during one hundred (100) weeks.

"In the foregoing enumerated cases of permanent, partial incapacity, it shall be considered that the permanent loss of the use of a member shall be equivalent to and draw the same compensation as the loss of that member.

"For the complete and permanent loss of hearing in both ears, sixty per cent (60%) of the average weekly wages during one hundred and fifty (150) weeks.

"For the loss of an eye and leg above the knee, sixty per cent (60%) of the average weekly wages during a period of three hundred and fifty (350) weeks.

"For the loss of an eye and an arm above the elbow, sixty per cent (60%) of the average weekly wages during a period of three hundred and fifty (350) weeks.

"For the loss of an eye and a hand, sixty per cent (60%) of the average weekly wages during a period of

three hundred and twenty-five (325) weeks.

"For the loss of an eye and a foot, sixty per cent (60%) of the average weekly wages during a period of three hundred (300) weeks.

"Where the employee sustains concurrent injuries resulting in concurrent incapacities, he shall receive compensation only for the injury which produces the largest period of incapacity; but this Section shall not affect liability for the concurrent loss or the loss of the use thereof of more than one (1) member, for which member compensation is provided in this schedule, compensation for specific injuries under this law shall be cumulative as to time and not concurrent.

"In all cases of permanent partial incapacity it shall be considered that permanent loss of the use of the member is equivalent to, and shall draw the same compensation as the loss of that member, but the compensation in and by said schedule provided shall be in lieu of all other compensation in such cases.

"In all other cases of partial incapacity, including any disfigurement which will impair the future usefulness or occupational opportunities of the injured employee, compensation shall be determined according to the percentage of incapacity taking into account among other things any previous incapacity, the nature of the physical injury or disfigurement, the occupation of the injured employee, and the age at the time of the injury. The compensation paid therefor shall be calculated by first determining a basic figure amounting to sixty per cent (60%) of the average weekly wages of the employee, but which basic figure shall not exceed Fifty-six Dollars (\$56); such basic figure shall then be multiplied by the percentage of incapacity caused by the injury, and the result shall be the weekly compensation which shall be paid for such period not exceeding three hundred (300) weeks as the Board may determine. Whenever the weekly payments under this paragraph would be less than Twelve Dollars (12) per week, the period may be shortened, and the payments correspondingly increased by the Board."

Section 5. As respects claims for injury sustained prior to the effective date of this Act, no inchoate, vested, matured, existing or other rights, remedies,

powers, duties, or authority, either of any employee or legal beneficiary, or of the Board or of the association, or of any other person shall be in any way affected by any of the amendments or repeals herein made to the original law hereby amended or repealed, but all such rights, remedies, powers, duties, and authority shall remain and be in force as under the original law just as if the amendments or repeals hereby adopted had never been made, and to that end it is hereby declared that as respects such injuries occurring prior to the effective date of this Act, said original law is not repealed, but the same is, and shall remain in full force and effect as to all such rights, remedies, powers, duties, and authority; and further this Act insofar as it adopts the law of which it is an amendment is a continuation thereof, and only in other respects a new enactment.

Section 6. If any Section, paragraph or provision of this Act be declared unconstitutional or invalid for any reason, such holding shall not in any manner affect the remaining Sections, paragraphs or provisions of this Act, but the same shall remain in full force and effect.

Section 7. All laws or parts of laws in conflict herewith are expressly repealed to the extent of such conflict.

Section 8. The importance of this legislation and the crowded condition of the calendars in both Houses create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and this Rule is hereby suspended; and this Act shall take effect and be in force sixty (60) days from and after its passage, subject to the provisions of Section 5, above.

The amendment was read and was adopted.

On motion of Senator Mauzy and by unanimous consent, the caption was amended to conform to the body of the bill as amended.

The bill as amended was passed to engrossment.
